CORPORATE TAMBOLA

A tambola night your whole team will talk about.

Turn your company event into a live game on everyone's own phone. No app to install. Easy for you to set up, fun for every guest.

WHY ORGANIZERS CHOOSE IT

1. **Ready in minutes.** Five short screens with recommended answers. Start free, change anything until the game begins.
2. **Everyone plays on their phone.** Guests open one link. One ticket for each phone. Nothing to download.
3. **Your brand in the game.** Up to 5 moments for each ticket: a message, a video, audio, or a lucky draw, spread evenly through the game.
4. **Fair for everyone.** The software, not a person, decides the winners from public random numbers that many phones check.
5. **Your team can help.** You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.
6. **A free AI helper.** Paste your AI link into ChatGPT, Gemini, Claude or another AI chat. It builds the draft. You press publish and pay.
7. **Guests pay nothing.** You give the prizes. We provide the software.
8. **Privacy that is easy to explain.** Guest names and mobile numbers are erased within 24 hours after the game. Designed to follow India's DPDP Act, the EU GDPR and US privacy laws.
