CORPORATE

Tambola

A tambola night your whole team will talk about.

Turn your company event into a live game on everyone's own phone. No app to install. Easy for you to set up, fun for every guest.

WHY ORGANIZERS CHOOSE IT

1. **Ready in minutes.** Short screens with recommended answers. Start free, change anything until the game begins.
2. **Everyone plays on their phone.** Guests open one link. One ticket for each phone. Nothing to download.
3. **Your brand in the game.** Up to 5 moments for each ticket: a message, a video, audio, or a lucky draw, spread evenly through the game.
4. **Fair for everyone.** No one knows the next number: not the organizer, Host, Co-host, AI assistant or us. Each number comes from a public random value that is digitally signed and made for that game and moment only. Every player sees it at the same time.
5. **Your team can help.** You, up to 5 Hosts and any number of Co-hosts. Only one payment is needed, from any one of you.
6. **A free AI helper.** Paste your AI link into ChatGPT, Gemini, Claude or another AI chat. It builds the draft. You press publish and pay.
7. **Guests pay nothing.** You give the prizes. We provide the software.
8. **Privacy that is easy to explain.** Guest names and mobile numbers are erased within 24 hours after the game, and also when a game never starts. Designed to follow India's DPDP Act, the EU GDPR and US privacy laws.

HOW IT WORKS

1

Build your game

Pick the date, size, prizes and brand moments. It is a free draft until you publish.

2

Invite your people

Share one guest link on WhatsApp or e-mail. Show the big screen in the room.

3

Pay once, then play

Pay once for the game. It begins as soon as the payment is confirmed, and the fun takes over.

WHAT A GAME CAN INCLUDE

- ✓ Up to 5 rounds, with many prize types
- ✓ Lucky draws and scratch cards
- ✓ Invitations: each guest can invite family or colleagues
- ✓ A big screen for the room
- ✓ A report e-mailed to you after the game
- ✓ A video, so you can see it before you decide

All payments are taken only by IT Services by Rajat Agarwal, through Razorpay. One payment is for one game only. No commitment, no repeat charges. A game that is not paid for simply does not begin and nothing is charged. We do not give refunds. If you cancel a paid game before it starts, your payment stays as credit for your next game for 365 days. Unused credit lapses at the end of day 365. The organizer keeps the credit in their account.

See it in 70 seconds. It is free.

Open the video on your phone, press Run Demo, and watch a full game with a brand break.
